NEWS LETTER FEB 2010

SALE

IN

FEB 2010

Yes we're kicking off our first News Letter
with a Sale!

There's lots of news but the most urgent is that we're having a huge sale during February. Basically there's 10% off almost everything storewide and as much as 35% off some marked items. Most of the planes have at least 20% off and some of the cars have even more. So if you had your eye on something, now's the time to grab it before some other bugger does.

10 CAPS GOING FOR A SONG!

The A10A2G 10C is going for the amazing price of **\$650**

These come with a TM10 RF module and R6014FS 14channel receiver. The beauty is you can still fly all your 36mhz models by swapping the 2.4ghz module for your older 36mhz module. This way you don't have to change all the receivers in all your planes at once – best of both worlds.

Also the dedicated A10CAG 10CG for an equally amazing low price of **\$675**

There are also a lot of planes going very cheap – The Multiplex Easy Star is only **\$95** (whilst stocks last). The Wingman, low and high wing trainers are only **\$180** with brushless motor, mount and propeller. Basically there's **20%** off all the planes in the shop. So, get yourself down before all the good stuff has been snapped up!

Futaba - TM7 2.4Ghz modules - **\$175**

Futaba – 7ch 2.4Ghz receivers - **\$100**

Assan – 8ch 2.4Ghz receivers - **\$100**

Multiplex Cockpit 7ch synthesized Tx - **\$250**

Black Horse EP Mosquito, 1.6m - **\$450**

Black Horse B-25 Bomber, 1.59m - **\$475**

Seagull Phoenix Trainer - **\$85**

THUNDER TIGER EB4 S2 ONLY \$450 !!!

This is an amazing bargain. The ready to run EB4 S2 1/8 scale buggy is rough, tough and an absolute steal at this low, low price!

This is just one of the many car bargains. Simply put we've got 10% off all cars in the shop. So if you've been thinking of a RC car, now is the time to get into Hobby Heroes and grab the car you've always wanted. The sale will only last while stocks last so don't delay. Get in before some one else does!

We haven't been able to put everything we have on offer into this short Newsletter but rest assured there's probably something in the shop at a price you won't get at any other time of the year. So come on in and we'll do our best to make sure you leave with a bargain.

Paul - Hobby Heroes
